Estate Checklist

This checklist is a general guide to the many duties that you, as an estate representative, may be required to fulfil.

- Locate will and review to determine whether there are any special funeral directions. Ascertain whereabouts of beneficiaries.
- Upon receiving funeral account, take to the bank, with the Proof of Death Certificate, to arrange payment. Most institutions will issue a draft payable to the funeral home.
- Assist in making funeral arrangements, if necessary.
- Obtain "Funeral Director's Proof of Death" (or apply for Provincial Death certificate if required.) We at **Smith Funeral Home** can provide you with the necessary application form for the provincial certificate.
- List contents of the safety deposit box.
- Arrange for safe custody of personal valuables.
- Review adequacy of property insurance coverage and alter if necessary.
- If deceased lived in a rental property, terminate lease or arrange to sublet.
- We at **Smith Funeral Home** can provide you with documentation to apply for the Canada Pension Plan Death Benefits, Survivors Benefits and Orphan's Benefits.
- Cancel driver's license, health card, SIN number, condo maintenance fees, mortgage payments, magazine and newspaper subscriptions, cable, club memberships, telephone and request refunds if appropriate.
- Confirm outstanding balances and cancel credit cards.
- Request Canada post to re-route mail.
- Ascertain assets and liabilities by writing to financial institutions, insurance companies, brokers, employer, RRSP/RRIF trustees.
- Obtain prior years tax returns. Prepare and file T1 returns for the previous years within 6 months of the date of death or April of that year, whichever is sooner.
- Locate and obtain title documents for real property, mortgages, share certificates, bonds, debentures and guaranteed investment certificates.
- Arrange valuations of real estate, securities, personal property, and automobiles.
- Arrange for a review of the investment portfolio.
- Send a copy of the Will to each residuary beneficiary.
- Notify legatees/devisees of benefit to be received under the will.
- Notify charities of the charitable bequests (and regulators where required).
- Open estate bank account (if required).
- Notify dividend and bond disbursing agents to change address or record.
- Prepare inventory of assets and liabilities. List assets by class, value, full particulars, maturity date, interest rate, payment frequency and dates.
- Obtain and meet with estate solicitor to complete application for probate. Make provisions for any fees that may be applicable.
- Schedule an appointment with the Pre Arranging Director to pre-arrange funeral details, providing guidelines for their survivors or, alternatively, making arrangements for someone in their care.
